

This Task Force is for...

Family members, Professionals,
School Districts in Delaware
County & Community Members.

Support & join committees that
interest you!

Come for up-to-date information
and trainings!

Come to share your own
experiences or listen to the
experiences of others!

All Local Task Force Meetings Include:

Dissemination of local resources,
services, legislative updates, parent and
professional training opportunities and
discussions on current issues impacting
local special education.

The opportunity to network with agen-
cies, other parents and professionals and
help find answers to questions.

The opportunity to share experiences
within the system of special education to
advise the State Task Force.

The primary purpose of the Local Task Force on the
Right To Education Task Force is to make
recommendations that assist in improving,
strengthening, expanding, monitoring programs and
services for school age children with special needs.

According to the PARC Consent Degree the LTF has
to include 51% parents, a school personnel, The Arc,
a representative from The Office Of Behavioral
Health, The Office Of Intellectual Disabilities and a
liaison from a Delaware County School District.

Duties of the Task Force

1. Assist families and professionals of school aged students with special education needs by providing educational and networking opportunities so that they are better able to make informed decisions to meet the needs of their student(s).
2. Help disseminate local, regional, state school and community based special education services, workshops, and informational or recreational opportunities to the community.
3. Foster collaboration amongst public and private agencies which provide special education services.
4. Identify local needs and problems and forward them to the State Task Force.
5. Assess programs and services for school age children with special needs, making recommendations for their improvement, expansion, or discontinuation.
6. Recommend solutions for identified areas of concern and develop an action plan to affect positive change.
7. Review recommendations of the State Task Force and advise the Administration of any recommendation which should be adopted/implemented within Delaware County IU/25.
8. Assist the Administration in carrying out the rules and regulations growing out of the PARC Consent Agreement.
9. Review Intermediate Unit and District Special Education Plans and make recommendations which will help assure that they meet the needs of school age children with special needs.
10. Assist the State Task Force in the collection of data to determine the effectiveness of the PARC Consent Agreement.
