

## Get Academic Support & Childcare Coverage

Leading Edge has partnered with **Rose Tree Media Elementary Schools** to bring our innovative and affordable programs to your child's school.

### Our program offers:

- **Academic support:** Each day, your children will get homework help to better understand the material.
- **Engaging activities:** Our lab based programming means your children will have unique and fun activities daily with other children in their school.
- **Safe, experienced, on-site programs:** Our programs are staffed with experienced teachers, located in your school, and meet or exceed current CDC guidelines.
